

Upcoming Continued Education Credit (CEC's) **Events**

Note: Most events will always have a sign in sheet for tracking your attendance. Signing in is critical for tracking of your CEC's annually. If you are unsure if there is a sheet, contact the individual responsible for the event or the PHA Administrator by telephone 506-440-9656 or email dave@planthealthatlantic.ca

Turf Managers Short Course

The Turf managers Short Course taking place at the University of Guelph is an intensive month-long professional development program which has built a reputation as the most successful and highly-valued turf managers' short course in Canada. The program is designed for a wide variety of turf industry professionals, including sports turf managers and operators, nursery sod producers, golf course superintendents, equipment operators and turf/greens crews, and residential/commercial turf care professionals. The course runs from February 4th - March 1st, 2019 and provides the maximum allowable number of Plant Health Atlantic CEC's which is (12).

2019 Atlantic Turfgrass Conference & Trade Show

Presented by the Atlantic Golf Superintendent's Association, this event will take place at the Lord Nelson Hotel in Halifax, NS from February 19th – 21st. There is a total of (11.5) CEC's available during the conference. For more information or to register, contact Jim Nix via email (1967agsa@gmail.com)

IPM Symposium

The annual IPM Symposium presented by Landscape New Brunswick will take place once again this year in Moncton on Wednesday, March 27th, 2019. More information on this annual event will be available soon. As always, this is the ideal opportunity for Turf Practitioners to acquire their necessary (8) CEC's. For more information or to register, contact Jim Landry via email (lnb@nbnet.nb.ca)

French IPM Session

Details of the French IPM Session presented by Plant Health Atlantic have not been finalized as yet but it is expected to take place in early April.

CGSA Online "Live Learning Centre

The "CGSA Online "Live Learning Centre" is available available to all Turf Practitioners 24/7 and are online sessions taken from the previous CGSA Conferences. To access this resource, go to -

<https://cgsa.sclivelearningcenter.com/MVSite/default.aspx>.

Remember that the changes effective April 1st, 2016 will now allow for a carryover of a maximum of (4) CEC's to the next year after you have attained your annual requirement.

Should a Turf Practitioner take in a session at any time which they feel would qualify for CEC's, please contact the office at (506) 440-9656 or by email (dave@planthealthatlantic.ca) with the details.
