

A mid-April update from Plant Health Atlantic. **WELCOME** to Spring everyone and lets hope it's here to stay. Just sending along an update on a few different topics.

Turf Practitioner Cards

Turf Practitioner Cards have been prepared for those who have acquired their annual requirement of (8) CEC's and paid the \$25.00 Administration Fee. They will be mailed out over the next few days and if yours has not arrived by April 26th there is a pretty good chance that you have not completed one of those two steps. If in doubt, please do not hesitate to contact me by [email](#) and I will let you know your status.

French IPM Session

The French IPM Session is taking place tomorrow, April 17th at the Edmundston Golf Club with (15) registered.

2018 Full Desk Audits & Payments

There are still a number of facilities that have not submitted their Annual Full Desk Audit and/or payment. Please do so **AS SOON AS POSSIBLE.**

If you have misplaced your Audit forms which were sent out in October/2018 or your Invoice, please contact David McCafferty by [email](#).

Pesticide Applicator Training

Ken Browne will be holding a Private Agriculture CLASS L1 Pesticide Applicator Certification Training Course in English in Grand Falls, NB on April 24th. If you or any of your staff are interested, please contact Dave McCafferty by [email](#) for further information. Following the course attendees will have the opportunity to write the Private Agriculture L1 exam. Ken is also looking into running a training session in Saint John on May 13th & 14th.

If you or any of your staff are interested in Pesticide Applicator Training, please contact Dave McCafferty.
